

MYBLOG

Bloggng application

Documentation

Igor Šimko

DESCRIPTION

Blog application where multiple users can create posts, comment on posts, and react to comments.

FUNCTIONALITY

The application supports following functionality.

LOGIN/REGISTRATION

User can log in or sign up blog application.

The image shows two side-by-side form mockups. The 'Log in' form on the left has a title 'Log in', an email input field with 'simko.igor', a password input field with masked characters, a 'Remember me' checkbox, a blue 'Log in' button, and links for 'Sign up' and 'Forgot your password?'. The 'Sign up' form on the right has a title 'Sign up', input fields for 'Email', 'Name', 'New Password', and 'Repeat Password', a blue 'Sign up' button, and a 'Log in' link.

DISPLAY USERS BLOGS

List of all users. Selecting a specific user, the list of all user's posts will be displayed.

The image shows a user dashboard mockup. At the top right is a 'Sign Out' link. In the center is a 'Welcome Igor' message. On the left is a '+ New Post' button. Below it are two buttons: 'Igor's posts' and 'Peter's posts'.
